Detailed description: This is a technical drawing of a trapezoidal profile, labeled 'PERFIL N°3, PUESTO DE CARA - UNION GOODKARMA - VISTA CARA EXTERIOR'. The profile is shown in a light blue shaded area. The top horizontal edge is 606mm long, indicated by a yellow double-headed arrow. The bottom horizontal edge is 606mm long, indicated by a green '606' at the right end. The left vertical edge is 40mm high, indicated by a green '40' at the bottom. The right vertical edge is 606mm high, indicated by a green '606' at the bottom. The top-left corner is labeled '0' in green. The top-right corner is labeled '597' in black. The bottom-left corner is labeled '40' in black. The bottom-right corner is labeled '606' in green. The profile has a top width of 606mm and a bottom width of 606mm. The left side is a straight line with a slope of 45.0°, indicated by a red angle label. The right side is a straight line with a slope of 18.4°, indicated by a red angle label. The top edge is a straight line with a slope of 38.6°, indicated by a blue angle label. The bottom edge is a straight line with a slope of 23.3°, indicated by a blue angle label. The profile is divided into three sections by vertical dashed lines. The first section on the left is labeled '1' in a white box. The middle section is labeled 'SON: 7' in a red box. The third section on the right is labeled '3' in a white box. A blue text label '71.2° - BISELAR CON EL COMPLEMENTO -' is located in the middle section. A yellow double-headed arrow labeled '606mm' is positioned above the top edge. A green '0' is at the top-left corner, and a green '40' is at the bottom-left corner. A green '606' is at the bottom-right corner. A black '597' is at the top-right corner. A blue '38.6°' is at the top-left corner, a red '45.0°' is at the bottom-left corner, a blue '23.3°' is at the top-right corner, and a red '18.4°' is at the bottom-right corner. The profile is shown in a light blue shaded area.
